BC Association of Healthcare Auxiliaries

Helping Healthcare the Auxiliary Way

November 27th, 2020

Invermere Health Care Auxiliary Society

One of the biggest disappointments for this lost year, is our inability to share in your celebrations for your 110th Anniversary. I was looking forward to sharing in your celebrations. We had also hoped to share your remarkable achievements at our Annual Provincial Conference in 2020, but that was not to be either.

We are planning for a Conference in 2022 at which we will hold a big party and recognize all our members who had to postpone their celebrations.

We did want you to have the enclosed certificate and hope you will display proudly. One hundred and ten years for any organization is a remarkable achievement and you and all your members are to be heartily congratulated for your dedication to your auxiliary and your community. The entire Board of BCAHA also wishes you great success in the coming years.

Please take a picture of you and a few members with your certificate and send to me at lgillott@telus.net so I can post of Facebook.
